Reimbursement Form

FORM INSTRUCTIONS

Please use one form for each meeting you attend. Do NOT document multiple meetings on one form.

All forms must be completed in PEN ONLY. Forms completed in pencil will NOT be accepted.

All information must be filled in, even if we have it on file. This helps to inform the bookkeeper of any change in your personal information.

Any inaccurate or incomplete forms will not be submitted for payment until corrections are made and the form is re-submitted to the CCSM office. If staff determines that changes need to be made to your form, we will send mail it back to you along with a return self-addressed stamped envelope so you can mail it back to the CCSM office once corrections have been made.

SECTION 1. ATTENDANCE

SCC Representatives: Please fill in the date and check off which meeting you attended, then put the stipend amount in the "Amount Due" area.

Local Council Members: Must still complete Section 1. Please fill in the date, and check off which meeting you attended, followed by putting a zero in the "Amount Due" area. (stipends are only for SCC Representatives)

SECTION 2. TRAVEL

Passengers: If claiming any passengers, you must write in the Full Name of each passenger along with their full address in the designated space on the back of the form.

PLEASE PRINT CLEARLY!!

SECTION 3. TOTALS

All subtotal amounts from Sections 1 & 2 must be carried down to Section 4 and added together that sum is put in the "Grand Total Reimbursement" box.

All forms **MUST** be **REVIEWED & SIGNED** by the meeting chairperson or CCSM Staff.

Due to the cost of processing and mailing out checks for small amounts, all reimbursement forms turned in that total less than \$15 will be held and not sent to our bookkeeper for processing until the member accumulates forms totaling over \$15.

Per the CCSM Mileage Policy, mileage is determined using Google Maps (shortest distance), NOT car odometers or any other online mapping programs. Mileage is paid round trip from your HOME destination. If you are unsure of your mileage amount, please ask the chairperson of the meeting to look at the mileage reference sheet.

If mileage is not consistent with our reference sheet, then an explanation must be given on the form and staff notified. If this is the case, please leave the " # of miles" section blank and staff will calculate mileage for you. You MUST provide the full address of your HOME destination.
