## **CCSM Issues Committee First Draft: Maine.Gov Website Update Issues - 11/9/2022**

### **The Issue:**

The Maine.gov website is often out of date and not the most user-friendly. There needs to be a clear way to alert the website managers when the public finds errors or organizations need to make changes. This could be as simple as a prominently displayed notify/change button added to the website. We also would like to see a committee formed that is comprised of website users who can advise on web design from their perspective.

**To submit feedback, ideas or a personal story relating to this issue statement, please send to the CCSM either by mail at: 219 Capitol St. Suite 7 Augusta, ME 04330 or email at [vmccarty@maineccsm.org](mailto:vmccarty@maineccsm.org)**

**DEADLINE TO RESPOND: December 12, 2022**
