You are invited to come share your thoughts about Maine's mental health system and help inform our work for the next few years.

Elections will also take place for At-Large Representatives.

For more information/election application, visit our website or contact the CCSM office!

Your input is important!!!

The Consumer Council System of Maine is for individuals who use or have used adult mental health services. The CCSM provides a collective, independent voice of individuals (like yourself) who share their experiences and expertise on decisions that will affect what services we get and how they are funded/delivered.

Meeting ID: 8938611710
No Password Required

Funding is provided by:
The Department of Health
and Human Services
