1. We propose to change the SCC meeting to 5:00-6:30 EVERY MONTH. Every other month would be a business meeting (for example the consent agenda) and every other month would be for strategic conversations. It will be held on the second Thursday of the month. Hybrid always available. The stipend for each meeting would be \$25 each month if attended. Starting November 14, 2024. (strategic conversations).

2. We also are asking that we do not have regional meetings but one big statewide meeting and then the at-large representatives would be voted at any time for a vacancy (2 per region) through the currently seated SCC members at a board meeting.

Result: All members said yes to both suggestions.
